

# TOEFL iBT® Resources for Teachers

## Leading Resources for English-language Success

Successful English-language teachers are always looking for the best resources for their own development and their students' success.

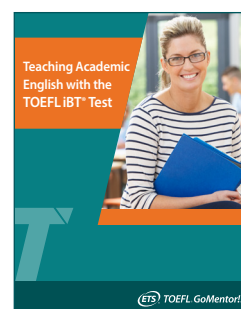

Here are our top resources to equip you with the skills and materials you need to enable your students to do their best on the TOEFL iBT® test and in the classroom.

### Teaching Academic English with the TOEFL iBT® Test

*Online professional development course for teachers to improve their skills and build curricula for teaching academic English*

- Contains 40+ hours of research-backed instruction
- Emphasizes task-based language teaching (TBLT) and English for academic purposes (EAP)
- Includes ready-to-use resources including lesson plans, handouts, checklists and more
- Available in 3 online course formats: Independent Study, Interactive Study and Instructor-Led

For more information, visit [www.ets.org/toefl/teacherdevelopment](http://www.ets.org/toefl/teacherdevelopment).

### Teaching TOEFL iBT® Skills (formerly the Propell® Workshop for the TOEFL iBT Test)

*One-day professional development workshop for teachers to familiarize them with the TOEFL iBT test and the academic language skills it assesses*

- Led by ETS-approved facilitators online or in person
- Familiarizes teachers with the structure and content of the TOEFL iBT test
- Includes an introduction to teaching strategies and a sampling of classroom activities
- Provides opportunities to connect with other teachers

For more information, visit [www.ets.org/toefl/teacherdevelopment](http://www.ets.org/toefl/teacherdevelopment).

# TOEFL iBT® Resources for Teachers (continued)

## Official TOEFL iBT® Prep Course (Instructor-Led)

*Test preparation course with managing and monitoring features for teachers*

- Includes 60+ hours of content and 200+ activities to help students prepare for the test and build their skills
- Features automated scoring of tests and exercises within 24 hours
- Provides an online platform allowing teachers to communicate with students, schedule meetings and class sessions, lock and unlock content, and monitor students' progress
- For classes of 10 students or more

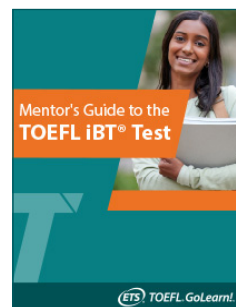

For more information, visit [www.ets.org/toefl/preparingstudents](http://www.ets.org/toefl/preparingstudents).

## Mentor's Guide to the TOEFL iBT® Test

*Test familiarization course with monitoring features for teachers*

- A free 8-week course based on the popular student course, TOEFL® Test Preparation: The Insider's Guide
- Contains detailed information and helpful tips on all 4 sections of the test, as well as knowledge checks, quizzes and practice questions
- Features interactive discussion boards allowing discussion among teachers and students
- Includes weekly performance updates for students enrolled in the Verified track
- For private cohorts of 10–15 students

For more information, visit [www.ets.org/toefl/preparingstudents](http://www.ets.org/toefl/preparingstudents).

## TOEFL® Practice Online — Institutional

*Practice tests with managing and monitoring features for teachers*

- Uses real, full-length, past TOEFL iBT tests that simulate the experience of the actual test
- Includes a teacher portal for setting up practice test administrations and managing student access
- Provides score reporting for all 4 skills
- Allows teacher access to student responses from the Speaking and Writing sections

For more information, visit [www.ets.org/toefl/preparingstudents](http://www.ets.org/toefl/preparingstudents).
